ATV TRAIL PATROL

Yellow-vested ATV trail patrollers will be out on the trails assisting trail riders and reporting trail problems, issues and concerns to proper trail authorities. The patrol will essentially serve as extra eyes and ears on the trail and will be available to provide information and assistance to help ensure safe and proper trail use by ATVers and other trail users.

ATV TRAIL INFORMATION

The Dodge County ATV trail season runs from December 1 through March 31. Riding is only permitted during that time when the County has officially declared the trail open. The ATV trail can be opened if there is sufficient ground freeze or snowbase to prevent damage to the trail surface.

Funded by the State through ATV registrations and gas tax, the Dodge County ATV Trail Program provides for the maintenance of 20 miles of County trail. The ATV trail runs from the parking lot at HWY 60 north to HWY 49. Primarily located on the surfaced areas of the Wild Goose State Trail and the designated ATV trail routes through the communities of Burnett and East Waupun.

In order to preserve these trails for future public use and enjoyment for all, please follow and obey all signs, stay on the designated trails, use courtesy and common sense and enjoy happy and safe trailing. No ATV use allowed on the adjacent horse trail or on the Dodge County snowmobile trails off the Wild Goose State Trail. Any soft areas that may exist on the trail must be avoided to prevent trail damage. Tire chains are prohibited on the trail at all times.
